SUPPLEMENTAL AMENDMENT

Sir:

Please replace the Amendment filed on behalf of Applicant and dated January 30, 2006 ("Original Amendment") with the enclosed replacement Amendment ("Replacement Amendment").

The enclosed Replacement Amendment is the same textually as the Original Amendment dated January 30, 2006 except that in the section covering Amendments to the Claims, (a) claim 1 has been numbered, (b) line numbering has been added for convenient reference, and (c) claims 14 and 15 have been changed but only to underline added text in conformance with present Patent Office regulations. It should be noted that the actual text additions were included in claims 14 and 15 as set out in the Original Amendment, but after filing the Original Amendment it was discovered by applicant that the necessary underlining of the additional text had not been provided in these claims.

In discussing this omission with Examiner Mariano Sy by telephone on Feb. 15, 2006, he suggested that instead of submitting only a new set of corrected claims we forward a complete replacement for the Amendment dated January 30, 2006. Thus, the enclosed Replacement Amendment is being filed In conformance with Mr. Sy's suggestion.

Applicant respectfully requests that a timely Notice of Allowance be issued in this application.

Respectfully Submitted

Jerry E. Heinzeroth
